

**Please Join the  
Expect More, Achieve More Coalition  
For a Day on the Hill Breakfast and Program**

**Tuesday, February 24, 2015**

**Breakfast 7:30 A.M.  
Legislative Plaza Cafeteria**

**Program 8:30 A.M.  
Legislative Lounge  
(Across from the Senate Chambers)**

---

Expect More, Achieve More Coalition members from your district and across Tennessee are looking forward to the opportunity to share with you that Tennessee's standards are working for our students.

The program will include a panel discussion among education, business, and state leaders about the history of academic standards in Tennessee, how these standards are working in K-12 classrooms, and where Tennessee is in the process to review and refine our standards and to implement an assessment to work with the standards.

---
